### „And what do you think...?“

And what do you think – what would it be like if you went to the zoo for the first time?  
What would surprise you most there?  
What do you think big ears would be useful for in everyday life?

### The monkey did not want to return the camera to the wolf.

What would you do in its place?

How would you have persuaded the monkey?

### Grandpa came up with the idea of giving the monkey a banana.

Do you think you would have come up with a different solution?

Which? What would you photograph if you had a camera at the zoo?

Why that in particular?

How would you like your “family afternoon” after the trip to look?
